TRANSVERSAL MODEL FOR MIGRANTS PROJECT NEWSLETTER 4 – 4TH MEETING IN LISBON – FÉBRUARY 2020

At the 4th transnational meeting of the Transversal Project in Portugal in February 2020, all partner organizations met to take a step on the progress of the Project. All of the Project's intellectual productions are now well advanced (IO.1 to IO.5). The testing and piloting phases are also well underway.

The initial feedback from target audiences (trainers and migrants) was integrated into operational tools and demonstrated the usefulness of the methodological approach designed and implemented, with significantly satisfactory return rates High.

At this stage, we are still raising awareness among stakeholders and all the support for this project, in order to continue to make known and deploy the results of this Project to be completed after the summer of 2020..
